> Mimi caught up with Jyou. "Aww, what'd I do?" Jyou sighed, and looked bashfully toward Mimi.
>"I finally told you how I felt, and you laughed. So I figured, 'I wasted my time..' and started
>walking." "No, no, no!" Mimi giggled. "I wasn't laughing at you like...like a dork! It was because
>I was glad you said so, because I have something to say, too..."

>---
> "What, is there something up MY nose, too?!" Jyou cried, putting his hands over his nose.
>"Actually, I was wondering if Yamato took out that rock yet," Mimi said, poked on the leg
>immediately after. "You're stalling!" Hissed Palmon in a whisper. "Oh, err -- *er-hem* Jyou?"
>"Yes?" Jyou asked, voice muffled from hands. "First, I'd like you to take your hands off your
>face," said Mimi, rolling her eyes a bit. Jyou emitted a tiny snicker from embarrassment, and
>put his hands back at his sides, but then decides to cross them over his chest. "You see, when
>I first got here, I was crazy about Yamato. But...but after all these things you've done to help
>me here since after the Puppetmon incident, I've had this crush on you. Remember the day you
>had that little argument with Gomamon when we were seperated from the others?" "Oy, I was hoping
>to forget," said Jyou regretfully. "Well, I think that was the cutest thing you've ever said."
>Mimi then took Jyou's hand.

>---
> Jyou just about freaked. He gained a sweatdrop, and swallowed hard. "What's the matter?"
>asked Mimi. "I'm not gonna bite it off!" "I...h-hope not," Jyou stammered. Palmon and Gomamon
>exchanged high fives, and walked off, chuckling. "S-so...now what?" Asked Jyou, now calming
>nerves. "I think I know," Mimi said with a nod, grinning. She let go of Jyou's hand, and
>wrapped her arms around his neck, having to stand on the tips of her sandals (Hey, Jyou's
>tall, got a problem with that? ^.^), and kissed him. If it were timed, this lasted
>approximately 10 seconds.
>---
> Mimi pulled away. "...are you ok?" "...Iiiiiiiii'm ooookaaaay." Jyou had sort of
>a look on his face, like he was going to faint. "Oh, should I carry you back to the
>others?" Mimi asked, stifling a snicker. "No, I'll carry you!" Jyou lifted her gently,
>kissed her, and began heading back to camp...
>THE END...?
>(Mayyyybe. Maybe not. *whistles innocently*)
